Portfolio:

SUMMARY

Industrial & Production Engineering graduate focused on supply chain management, procurement, planning, logistics and operations. Built a working base in supply chain analytics, process improvement and data-based decisions through both research and industry experience.

EDUCATION

B.Sc. in Industrial & Production Engineering (IPE)

Rajshahi University of Engineering & Technology (RUET) | CGPA: 3.62 / 4.00

Graduation: Jan 2027

Higher Secondary Certificate (HSC)

Government Science College

GPA: 5.00 / 5.00

Secondary School Certificate (SSC)

National Ideal School

GPA: 5.00 / 5.00

EXPERIENCE

Industrial Trainee

SQ Hues, Q Collection | SQ Group

Feb 2026 to Mar 2026

- Mapped the supply chain cycle across cutting, sewing and finishing, spotted where throughput bottlenecks formed, and helped recommend ways to improve production flow.
- Shadowed buyer-compliance quality inspections and material testing, and learned how AQL standards are applied.
- Documented process inefficiencies and helped propose fixes backed by the data, which got production and quality teams coordinating better.

Supply Chain Mentee

Nestlé Bangladesh

July 2026 to present

- Selected for Nestlé Bangladesh's supply chain mentorship program, where Nestlé's own professionals teach how the full supply chain works.

Youth Influencer (Campus Representative)

Nestlé Bangladesh

Oct 2025 to present

- Selected as Nestlé's official campus representative at RUET. Built collaboration between Nestlé Bangladesh and RUET through campus engagement initiatives.

Elevate Campus Ambassador

Perfetti Van Melle Bangladesh Pvt Ltd

Aug 2025 to Aug 2026

- Ran skill-oriented events with PVM and represented the Perfetti Van Melle brand portfolio at RUET, raising product awareness among 500+ students through on-site activations and online advertising.

Joint Secretary (Admin)

RUET IPE Club

Jan 2023 to present

- Run the club's administrative operations. Earlier, as Assistant Secretary (Media & Marketing), handled logistics, vendor coordination and branding for more than five events.
- Made the social media and marketing material that grew the club's online presence and event attendance.

CERTIFICATIONS & COURSES

- CSWA: Certified SolidWorks Associate
- CSCA: Certified Supply Chain Analyst (in progress)
- Supply Chain Career Bootcamp (HDNB) | Six Sigma Yellow Belt (6sigmastudy)
